

Message to Members of Wollaston Home and Cottage Association - Sunday, June 17, 2018.

I apologize for the delay in reporting on the Council Meeting held this week on June 12. I was having a few health issues and did not want to rush writing my report. I wanted to have the opportunity to check the audio coverage of the meeting which is now posted on the Wollaston Township website. I reported on the presentations by Darryl Tighe representing arguments for concern citizens, and Heather Sadler, representing Bear Ridge regarding the application for amendments to By-Law 10-15 as accurately as possible using my notes as well as the audio recording.

I am asking Celina Clark, the Communication Director for WLHCA, to post my report on the website. As well, I will ask that associated documents be posted. The first being, Notice of Passing a Zoning Amendment that was sent to me by the Clerk of Wollaston Township, announcing passing of By-Law 18-18 also posted, and the process for appealing the passing of that By-Law. By-Law 18-18 achieves the changes requested in application to amend By-Law 10-15 as requested by the owners of Bear Ridge Campground. By-law 19-18 which deals with the related Site Plan and agreements was posted in the background information for the council meeting of June 12th. As well as including a copy of the By-law 18-18, Jennifer Cohen included a summary made by the staff of Wollaston Township of all the comments sent to the councillors by the public on the matter of Bear Ridge with a response for each comment providing a rational for the decision to pass By-law 18-18 and 19-18.

We have a lot to in WLHCA this summer. Please join us on July 14th to find out how to remove milfoil from your shoreline and to participate in the Healthy Shorelines workshop with Leora Berman. She will also share important information the role each cottage owner can do to help the maintain water quality in Wollaston Lake by creating a buffer for water run-off by planting a natural shoreline garden. The \$20.00 registration fee will be covered for WLHCA members. Register by contacting us at WLHCA.news@gmail.com. Please check out the information for July 14th in the spring Newsletter.

Peggy Stewart

President WLHCA
